Sustainability Research &
Communications Intern

Date: April 2025

Sustainability Research & Communications Intern

Do you want to use your communication skills to drive positive change in sustainability? Are you eager to conduct impactful research and create engaging content that informs and inspires? If so, we want to hear from you!

Kōan is looking for a motivated and enthusiastic Sustainability Research & Communications Intern to join our team for a 4-month period. In this role, you'll be supporting in content creation, digital engagement, and research, contributing to meaningful sustainability initiatives.

About Koan

Kōan is a respected boutique sustainability reporting agency known for its high standards, award-winning publications and advisory services that consistently set the industry standard for excellence. We help some of the best-known companies in the world cut their way through the reporting jungle. We are based in Amsterdam with clients across Europe.

Responsibilities:

- Develop and implement engaging social media content and campaigns for our LinkedIn page and website, to help us boost our online presence.
- Assist in the editing and design of client-facing newsletters and other communications materials.
- Contribute to the development of compelling written materials.
- Conduct in-depth research on emerging trends in sustainability reporting and best practices, including data collection and leveraging AI tools.
- Participate in internal meetings and discussions on sustainability topics.

Qualifications:

- Currently pursuing or planning to pursue a master's degree program (sustainability, environmental studies, business, communications, marketing or related field).
- Fluent in English (written and spoken).
- Strong research and social media management skills.
- Strong communication and interpersonal skills.
- A keen eye for design.
- Passion for sustainability and a desire to make a positive impact.

What's in it for you?

- Gain valuable experience in the field of sustainability.
- Develop a diverse skill set encompassing social media strategy, visual communication, effective writing, and research methodologies.
- Work as part of a collaborative and forward-thinking team.
- Flexible work environment.
- Option of full-time or part-time internship.
- 800 EUR per month internship allowance.
